

Moshava Wild Rose 10th GRADE Camper Air Travel

We would like to make the process of traveling to camp as seamless as possible. **If your child will be traveling to/from camp on an airplane then this applies to your child.** Please continue reading through carefully.

For any 10th graders attending our Machal Plus program which **begins on June 21st, travel TO camp should be arranged as follows:**

Our preliminary plans for pre camp quarantine will require all campers and staff to remain in their homes with only their immediate family members from the Friday before camp (June 18) until they arrive at the bus or airport. **Any advance travel PRIOR is not allowed this summer.**

If you had planned to travel to Chicago a significant time before camp we may be able to accommodate but please reach out to medstaff@moshavawildrose.org AND Travel@moshavawildrose.org to confirm your plans are approved by our medical staff before booking anything.

TRAVEL TO CAMP:

All 10th grade campers **MUST** arrive on June 21st via air travel.

- Please book a flight that lands at **Chicago's O'hare International airport (ORD) between 11:30am and 2:00pm Central time (CST)**. We do not have a midway bus.
- If you are an international traveler, please allow for extra time due to customs.
- We will have a bus scheduled to **depart O'hare (ORD) at 3:00pm** and head up to Camp.

As soon as you have booked a flight, please submit your information here along with CampInTouch:
<https://airtable.com/shr82DeiCs2cEcSC4>

This will make sure we have the info on our end and notify you later of who you might be traveling with.

TRAVEL HOME:

Please see below the sheet below for the exact flight your camper(s) will need to reserve for your camper's flight home on July 26th. Please note that most flights are to Midway Airport on Southwest.

Please email travel@moshavawildrose.org with any questions.

Thank you!
