

Moshava Wild Rose Camper Air Travel

We would like to make the process of traveling to camp as seamless as possible. **If your child will be traveling to/from camp on an airplane then this applies to your child.** Please continue reading through carefully.

Our preliminary plans for pre-camp quarantine will require all campers and staff to remain in their homes with only their immediate family members from the Friday before camp (June 25th) until they arrive at the bus or airport. Any advance travel PRIOR is not allowed this summer.

Please see below the exact flight your camper(s) will need to reserve in order to utilize our airport bus transportation.

If you had planned to travel to Chicago a significant time before camp, we may be able to accommodate but you must reach out to medstaff@moshavawildrose.org for approval.

If you would prefer to drive to camp, please reach out to travel@moshavawildrose.org for approval.

Domestic Travel:

Campers flying domestically will travel on Southwest Airlines to MIDWAY Airport.

*Please note there are a few exceptions, as not all cities fly non-stop to Chicago's Midway airport. Please pay careful attention to the distinct airport codes.

MDW=Midway. ORD=O'hare

Southwest does not have any baggage fees for up to 2 bags, plus a carry-on, as well as a wonderful "no-change-fee" policy. Southwest flies into Chicago's Midway airport.

***If you are traveling from Memphis, TN, the Southwest flight does not arrive within this time frame. We have selected a flight that comes into O'hare.**

We have Buses to pick up Midway arrivals at 2 different points in the day.

International Travel:

Campers flying from countries outside of the US will be arriving at O'hare International Airport (ORD). Please find your individual location on our chart to see which flight you should book for your child in order to utilize our bus transportation from airport to camp and back.

- It appears that there may be **Nonstop flights from Tel-Aviv** beginning soon to Chicago. Until we see the availability we are holding off assigning a flight from Israel. We will let you know as soon as we can.

Details for booking your flights:

- **For campers age 12 and older:** Flights can be booked through the Southwest website. No chaperones are required, as they are considered young adult flyers.
- **For campers age 11 and younger traveling with a sibling or friend age 12+:** *Any camper traveling with someone age 12 or older does not need an "adult" chaperone. The sibling/friend's flight reservation can be linked to your child's when you book your ticket. In order to do this, please have the older companion's name and reservation number. Flights MUST be booked over the phone at 1-800-I-FLY-SWA (1-800-435-9792). There is no unaccompanied minor fee.*
- **For campers age 11 and younger traveling unaccompanied:** Flights MUST be booked over the phone at 1-800-I-FLY-SWA (1-800-435-9792). A \$50 fee (per child, per way) will be added by Southwest as an unaccompanied minor fee. Please note that this fee is fully refundable should a chaperone become available.
- **PLEASE NOTE:** Before you book an unaccompanied minor ticket, please check with us to see if we have a designated chaperone traveling from your city to Chicago. Email us at travel@moshavawildrose.org

Once your flights are booked, please forward us a copy of the reservation. This will allow us to notify all families with campers traveling together.
